

Speech and Language Apps

Speech Sounds

Articulation Station - Little Bee Speech

Flashcards that encourage practice at the word, sentence and story levels for 22 sounds in the English language. Available on Apple app store only. Offers a free trial which includes the 'p' sound, then each extra sound pack is £5.99 or it's £89.99 for the pro version which has all the sounds included.

Phonological Processes - Virtual Speech Center

Children will have fun drilling their sounds with flashcards while playing a colourful animated board game full of surprises. It uses a minimal pair therapy approach. Available on Apple app store only. No free trial offered; the full version costs £16.99 and includes 12 phonological processes.

Kids Sound Lab (Pro) - Raddlist

Designed with fun games to give children a head-start with pronunciation of all English sounds. Available on Apple app store only. Has activities for sounds in isolation to words including phonological awareness activities. No free trial offered, the full version costs £3.99 and includes all sounds.

Speech Stickers App - Seriously Sticky LLC

An app to help children to practice producing sounds on their own or before and after a vowel. The children say the sound when adding a sticker to the page and then watch a fun reward animation. Available on Apple app store only. The full version costs £12.99 and includes all sounds.

Boo Articulation Helper - Seriously Sticky LLC

The app features a fun character named Boo who encourages repetition of individual speech sounds and simple syllables (CV/VC) while enforcing helpful phonological awareness. Available on Apple app store and Android Google Play too. The full version costs £12.99 and includes all sounds.

Speech Essentials Therapy App - Speech Essentials

Games for practicing speech sounds within words with flashcards and sentence practice too. Available on Android on the Google Play store only. Offers a free trial which includes the 'b' sound, then each extra sound pack is £4.99 or it's £49.99 for the full version which has all the sounds included.
